REFLECTIVE

INTERACTIONS

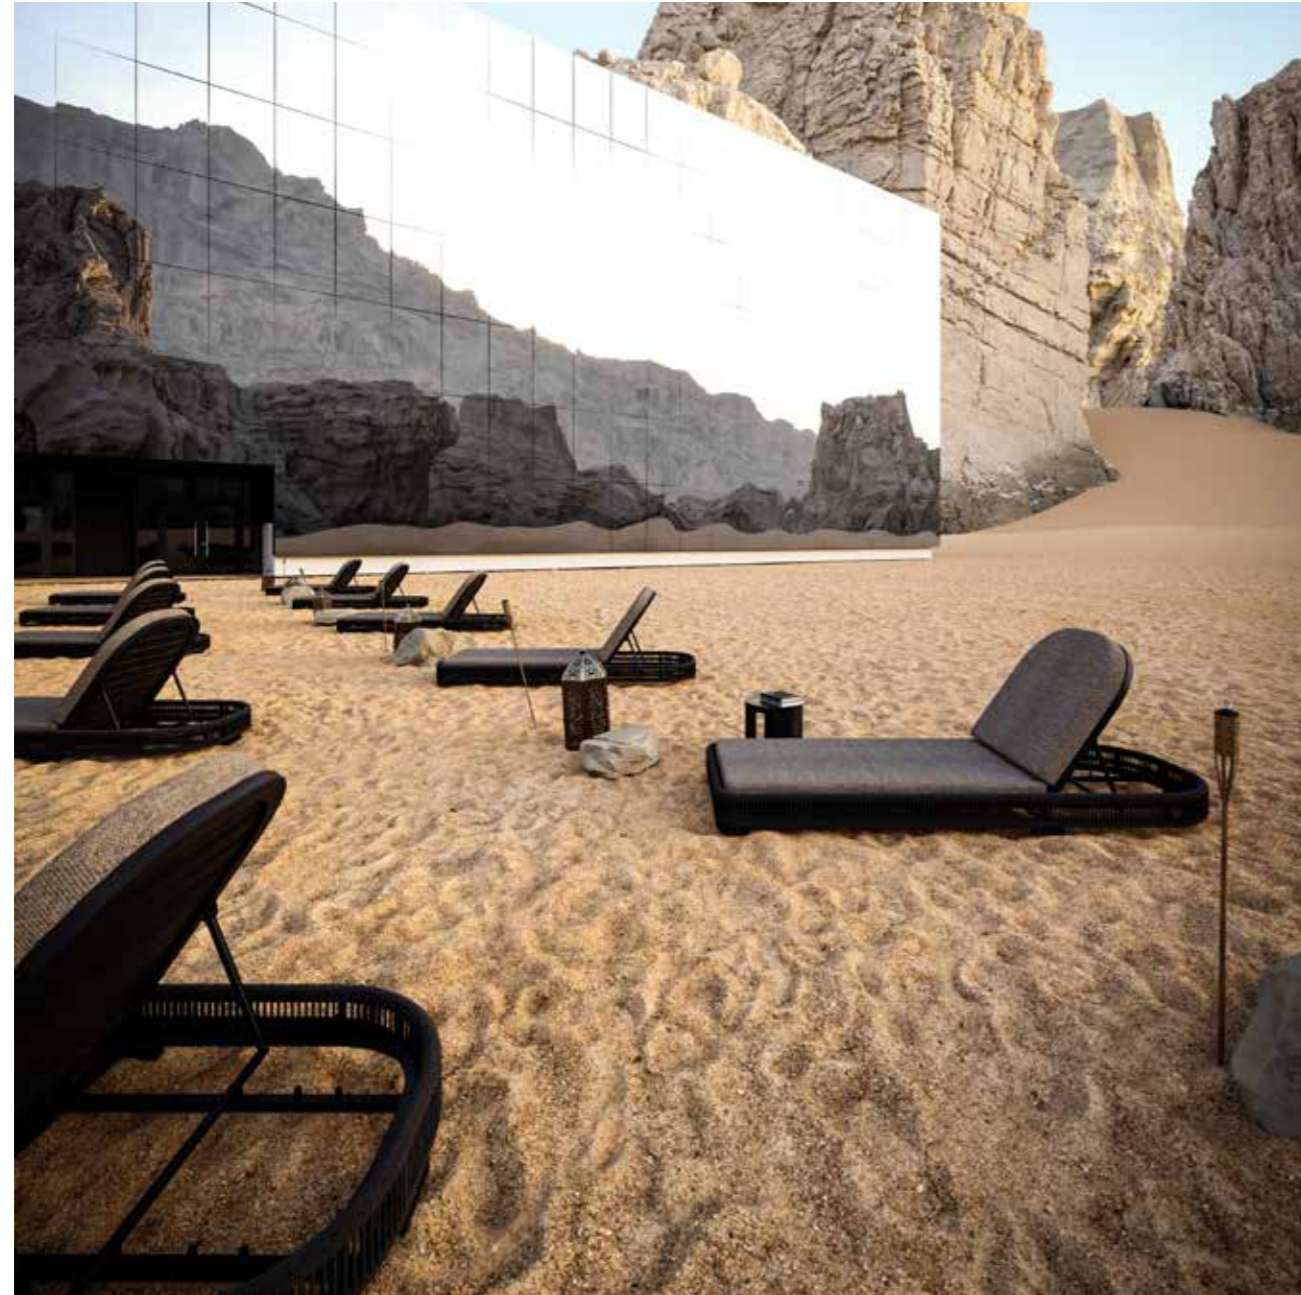

This landscape inspired architecture and land art form the Nabataeans to today. This is an architectural work of land art, a vision created by the extraordinary natural and social history around it. The building is site specific landmark of true land art and architecture.

THE INSTALLATION OF ART

RADICAL

REFLECTIONS

Ralph-noche Collection consists of a lounge set, dining set, chaise lounge and coffee tables designed with teak wood and acrylic rope details that gracefully express a unique synthesis of aesthetics, functionality and ergonomics. The collection, which has turned into an iconic design, provides integrity in the perception of visual flow with framed design details, strong thick lines. It is enriched with cushion details in tones compatible with black teak color and offers a new and special interpretation to your outdoor areas.

AND  
MEDUSA

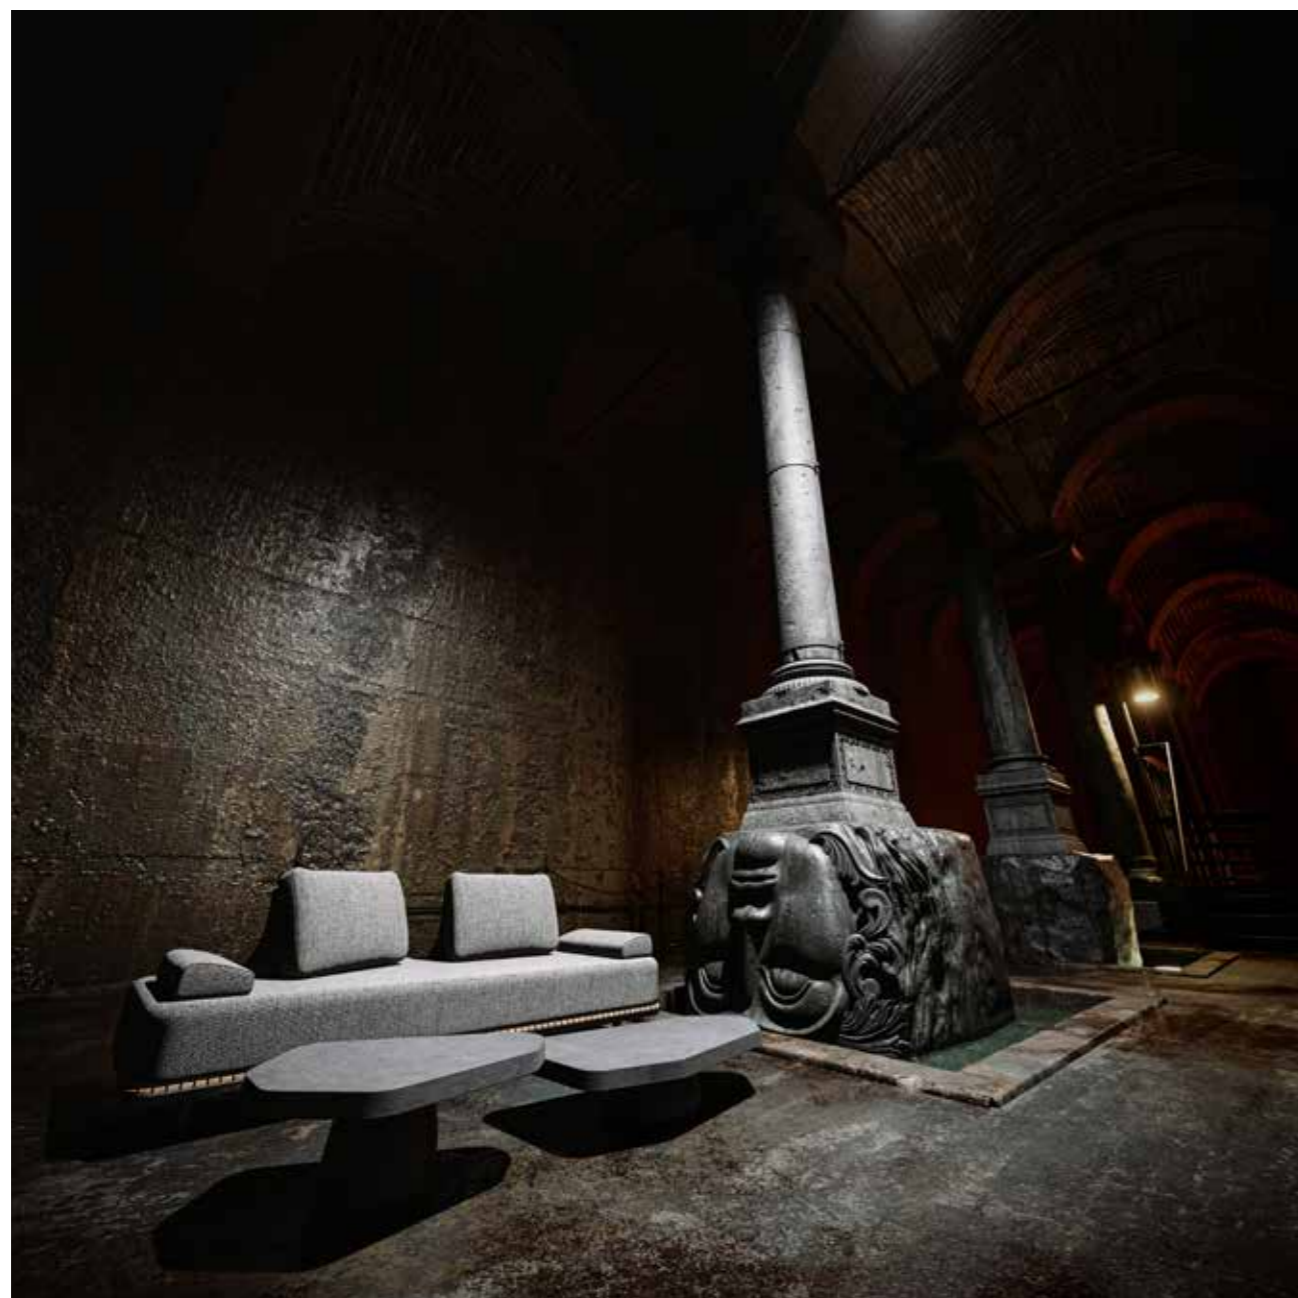

TO REALIZE THAT THE MEDUSA'S

BEAUTY IS MORE DIFFERENT PHENOMENON

Medusa's beautiful hair to serpents and made her face so terrible to behold that the mere sight of it would turn on lookers to stone. According to the design perspective, it represents beauty, art and philosophy. Most often it is associated as a monster in whose eyes those who look into it will turn into stone.

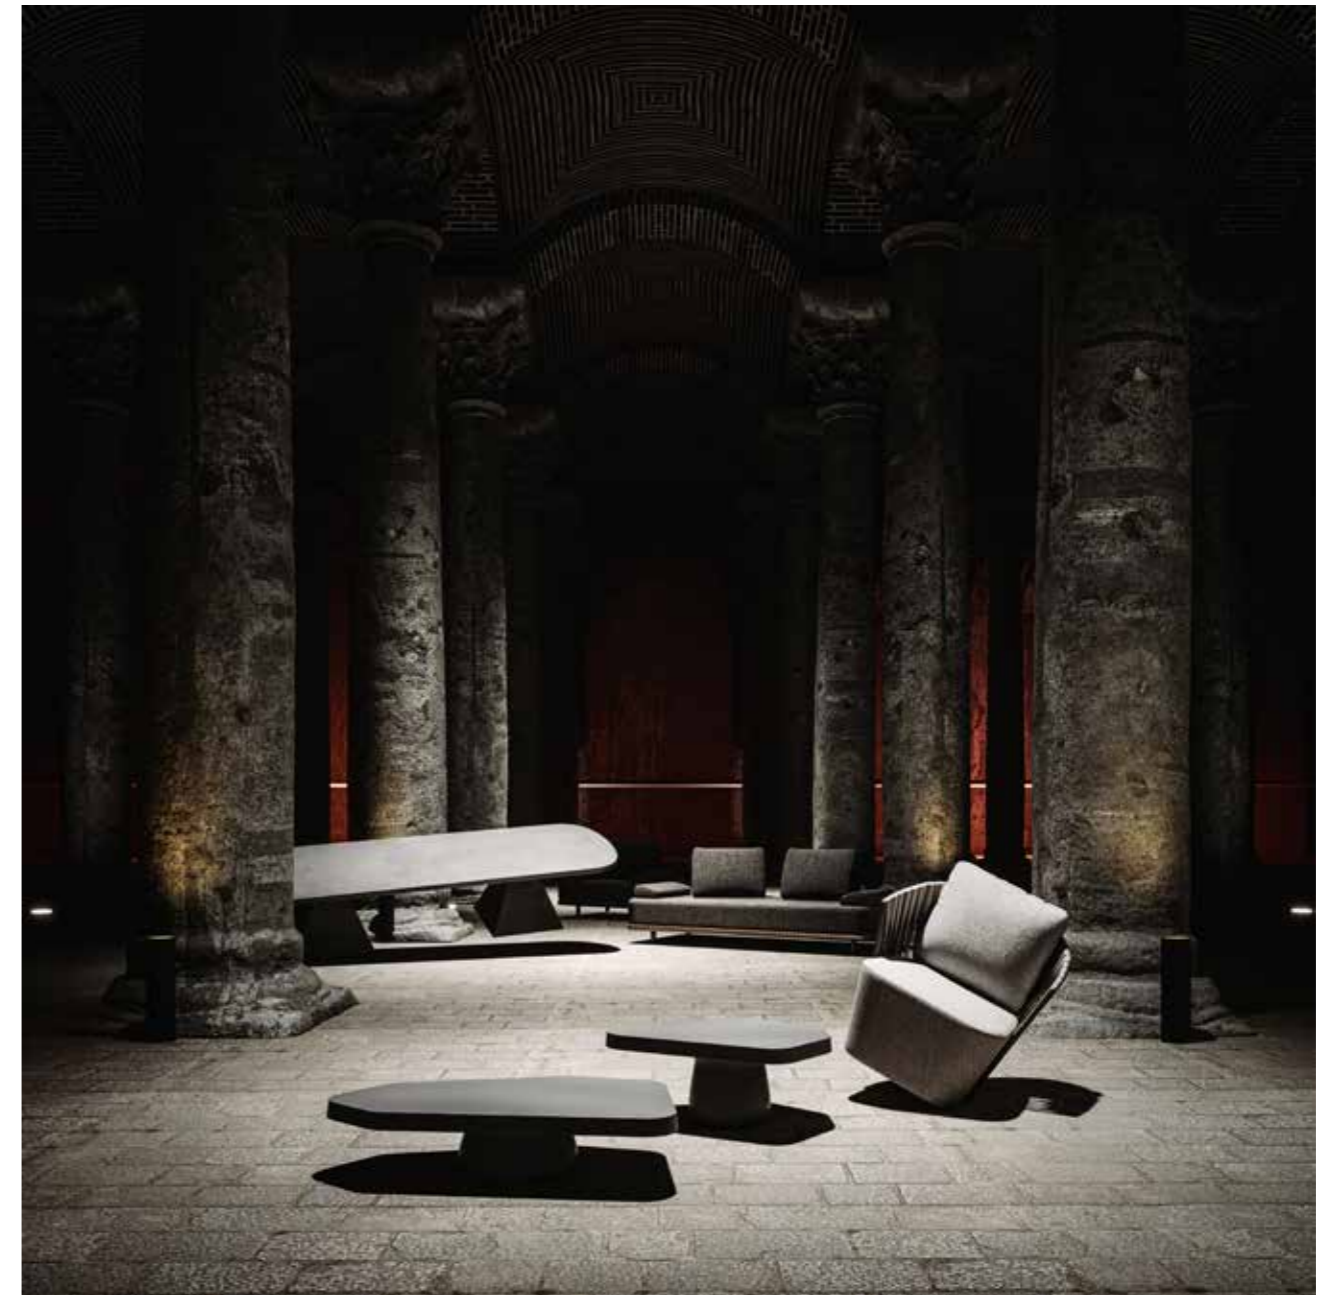

MONUMENTAL

SCULPTURE

THREE-DIMENSIONAL ART OR ARCHITECTURE IS  
THE CREATED SPACE

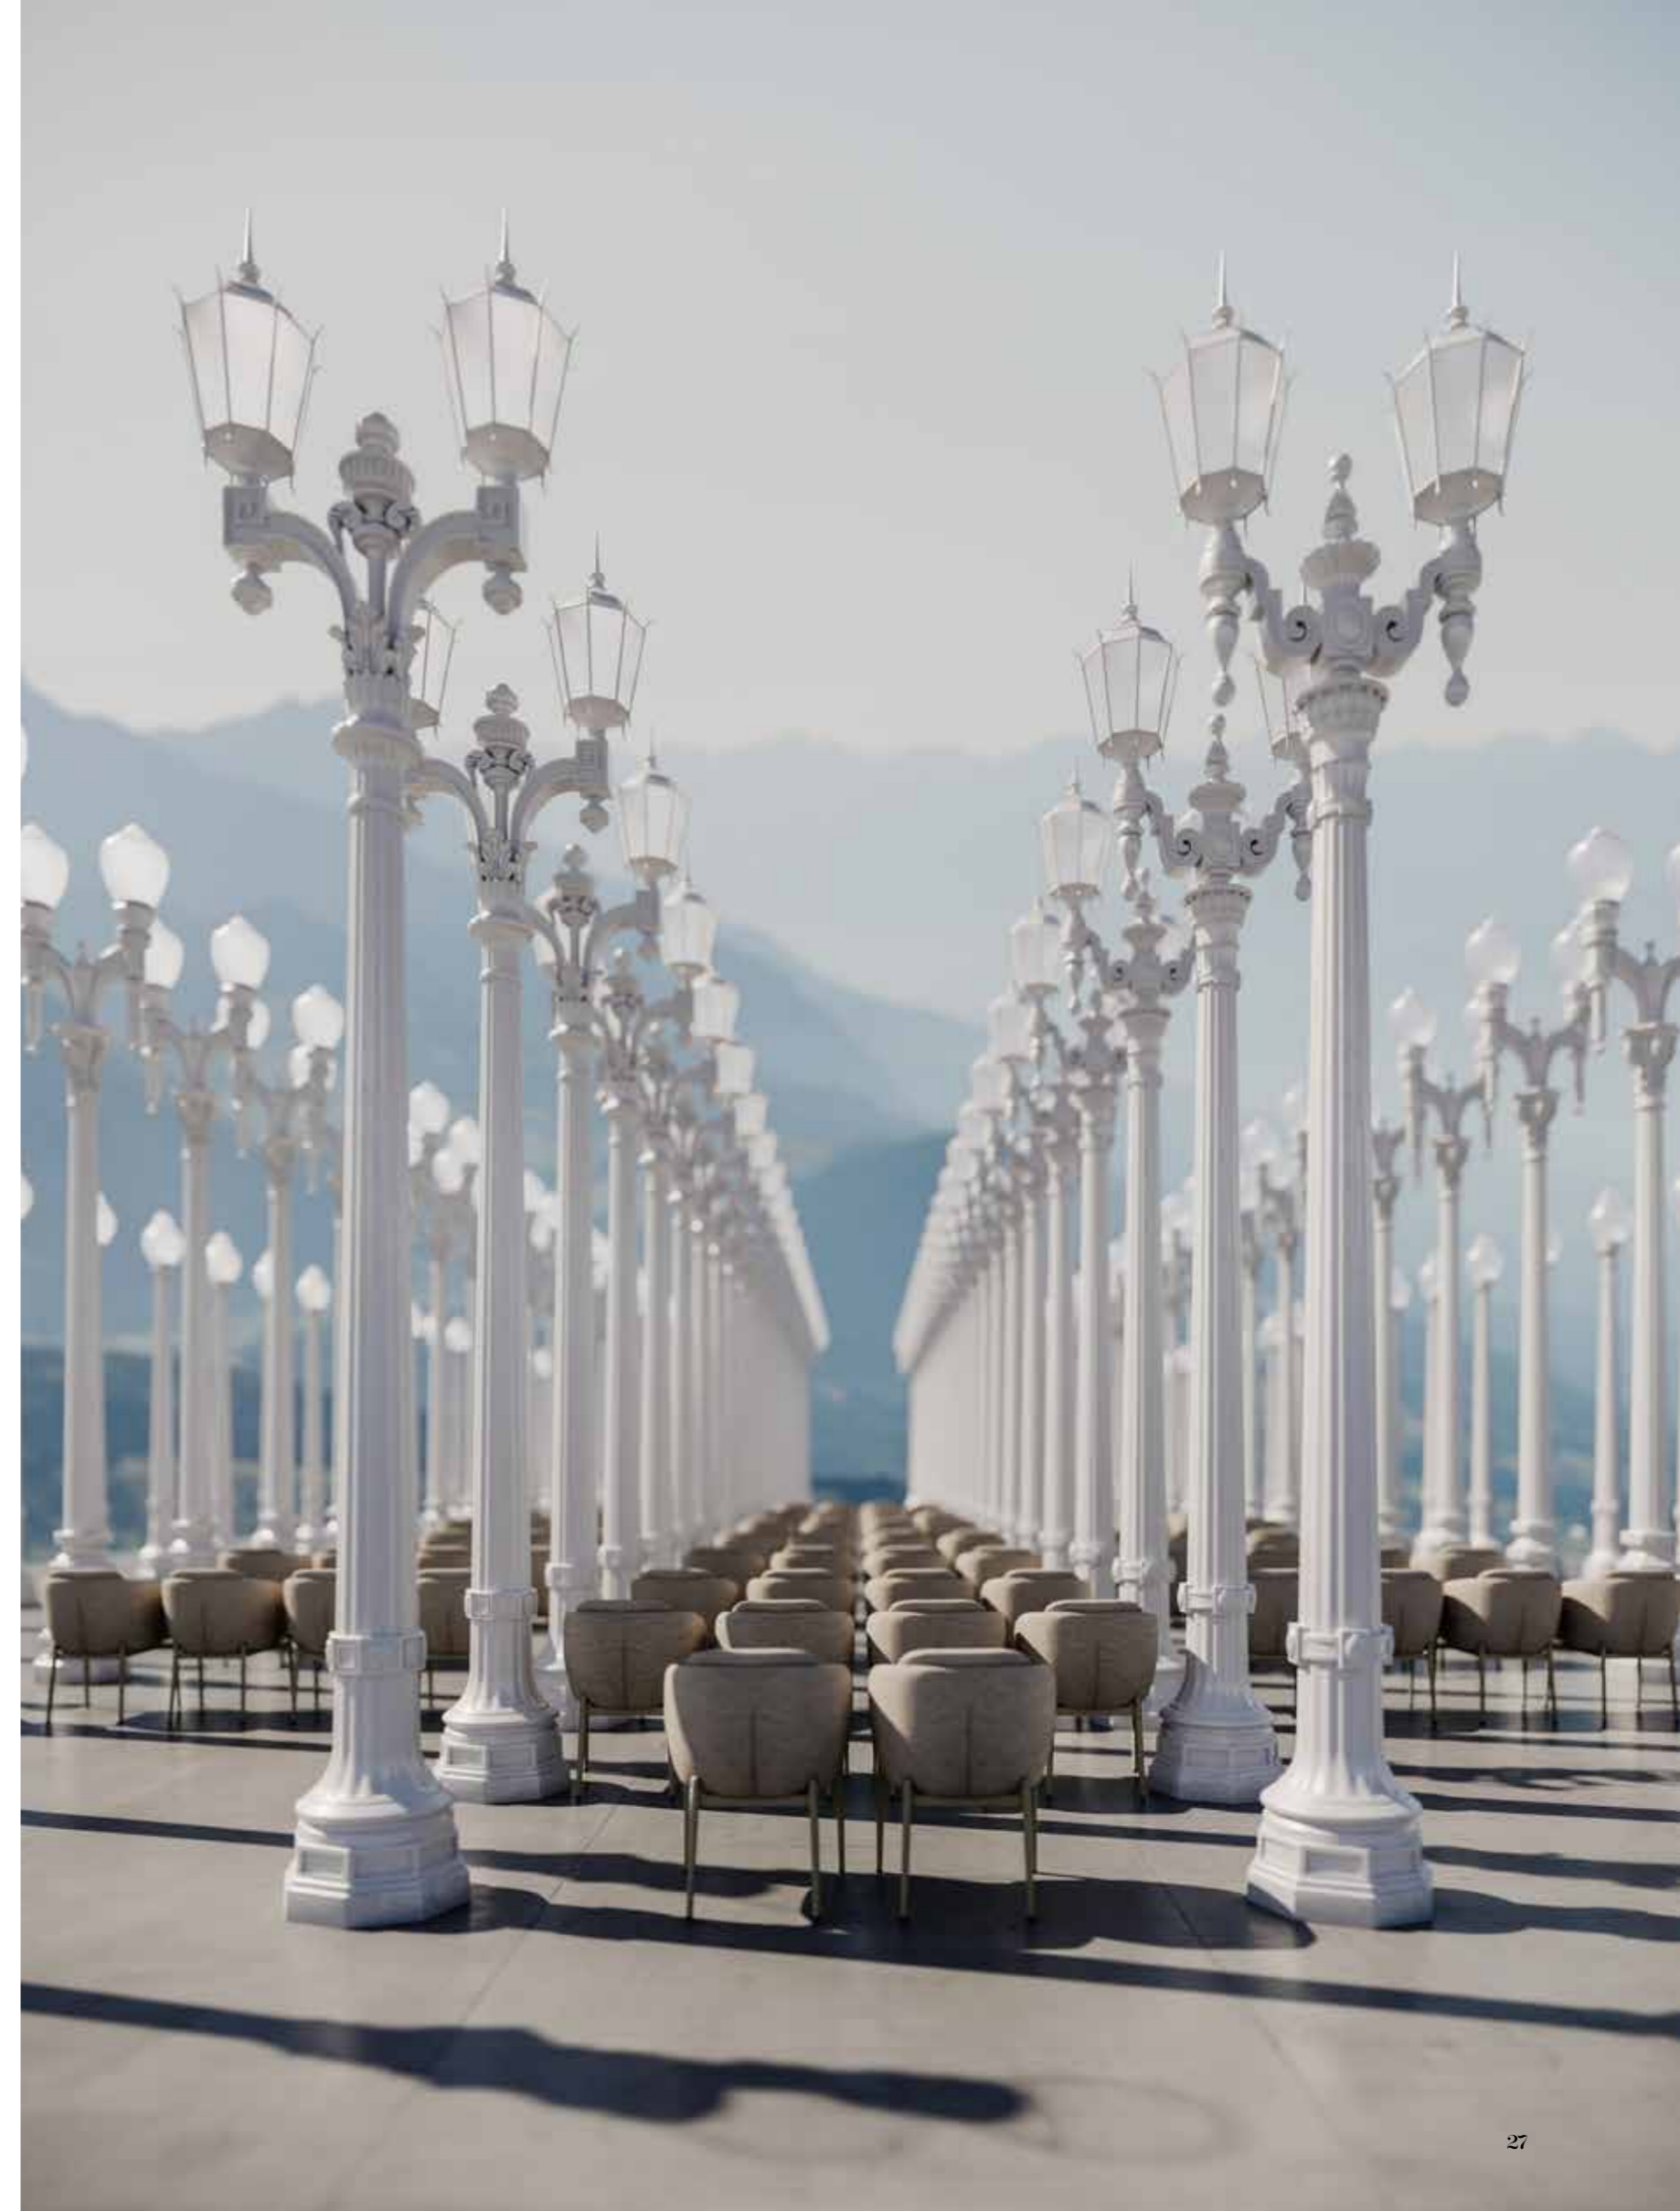

"I went down the stairs with the landlady. I found myself in a forest of columns filled with water"  
PIERRE GILLES

SNOC presents the Morgan Collection, which combines the function and structure with ergonomic details in perfect harmony. The meticulous and nature-sensitive stance of the collection embraces contemporary design principles. The masterful blend of different forms, functions, materials for the most comfortable use helps you experience the spirit of nature and stimulates your aesthetic perception.

SWAN

TURNS TO DARKNESS AS A MOTIF  
USING LIGHT AS THE DEFINING ELEMENT

Public art installation and the sculptures in the light...

A central part of its mission to bring masterpieces of art and culture to the community and its holdings of Asian art. Latin American art to works by leading modern and contemporary artists; Islamic art of which hosts one of the most significant collections in the world.

THE URBAN LIGHTS ARE ICONIC PART OF AND ARE  
PARTICULARLY STUNNING AT DUSK

CONTINUOUS

SCULPTURES

Swan Collection creates a strong sense of contrast with its rounded form and strong lines. Symbolizing all the principles of modern design understanding, the collection makes the feeling of craftsmanship felt with contemporary style codes in synthetic rattan knitting details. The synthetic rattan knitting technique, which is made with high quality handwork that surrounds the U-shaped aluminum framed design, creates a unique aesthetic perception in which different materials combine elegance and character.

HERO OF DESIGN USED TO STRUCTURE

Palacio Barolo is representative of an impregnated dream foreshadowing architectural attitude, unique gestures and heroic ideals in spirit of "resurgence."

The aspirations to open the way to a new architecture, overcome the tensions that had reached the historical eclecticism. From a planning point of view, it is a unique piece that demonstrates the ability to combine creativity.

MATERIAL IS THE VOICE AS SPACE  
PASSES THROUGH THE FORMS

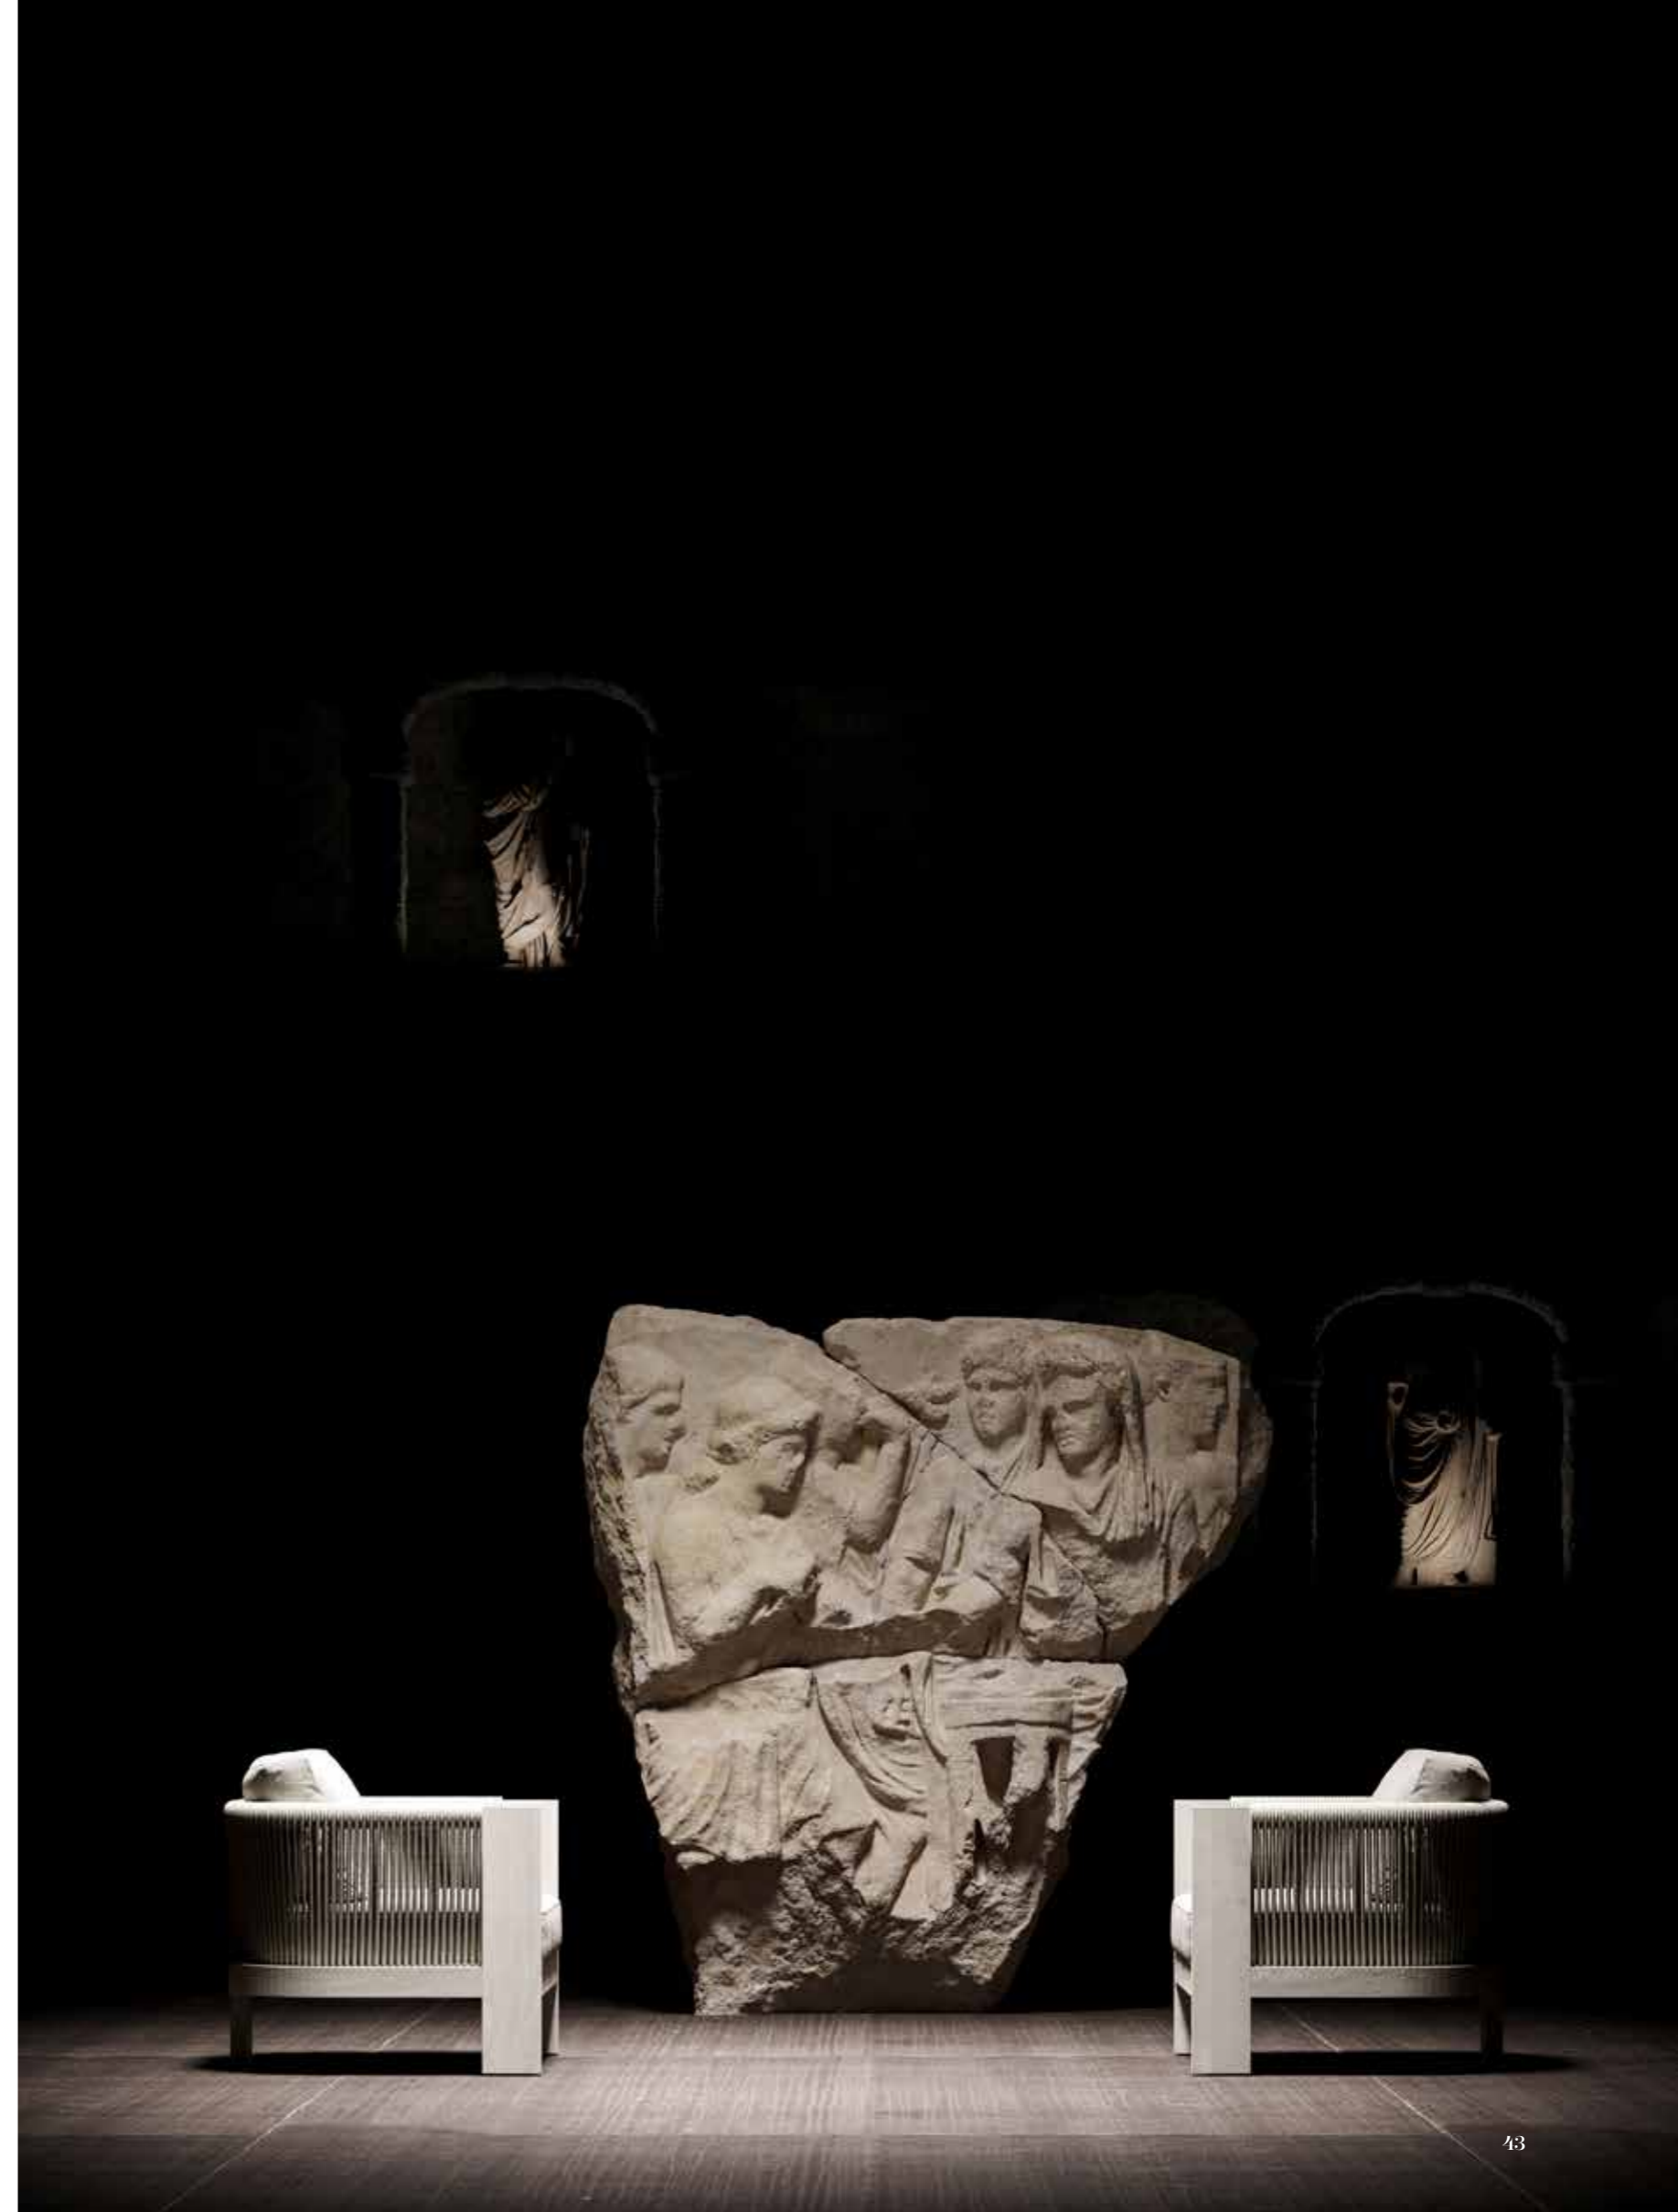

Finol Collection promises a refined aesthetic approach to outdoor compositions. The collection, dominated by versatile modern design principles, consists of corner set, dining set, chaise lounges and coffee tables. Each piece of the Finol Collection synthesizes the innovative design language with a high sense of comfort.

COMPOSITION

Music is a protean art; it lends itself easily to alliances with words as in song and with physical movement, this art a source of inspiration for the interpretation and understanding so it's a unique art form. Every location is carefully chosen to elevate the listening experience. Whether under the stars or in a venue with beautiful architecture.

RHYTHM AND MOVEMENT IN ART  
HUMAN SENSES AND INTELLECT

"It is not easy to determine the nature of music or why anyone should have a knowledge of it."  
-Aristotle

The collection, which has turned into an iconic design, provides integrity in the perception of visual flow with framed design details, strong thick lines. It is enriched with cushion details in tones compatible with rustic solid teak color and offers a new and special interpretation to your outdoor areas.

PIGALLE

THE VARIOUS DESIGN ELEMENTS OF  
TRADITIONAL ARCHITECTURE. COUNTRY IN ART  
AND NATURAL LANDSCAPES

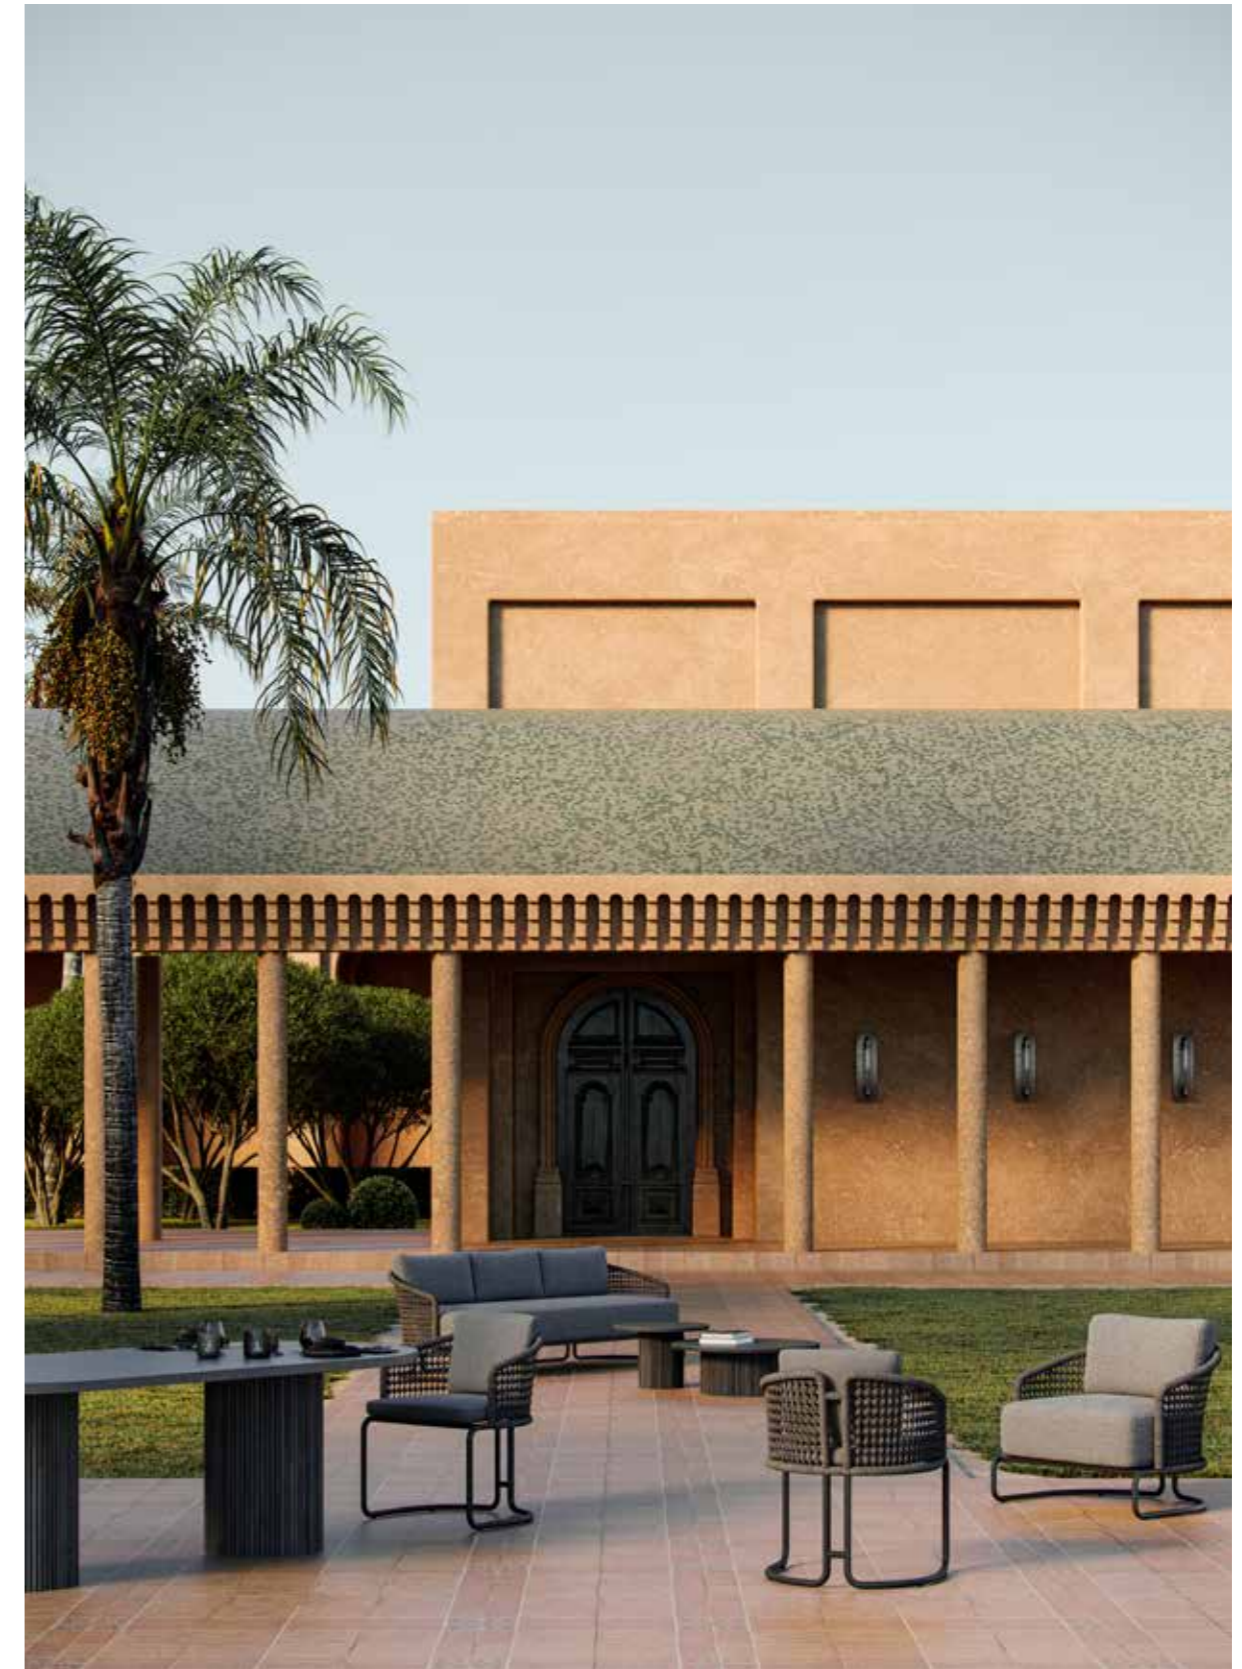

Morocco is often described as a country of allure, mystery and beauty and this is certainly in part due to its unique architecture. What sets Morocco's architecture apart is not only its exceptional blend of different design elements but also the unique features of each of its traditional buildings.

ARCHITECTURE OR THE ART OF CONSTRUCTION

IS IN ITS PRIMARY

Pigalle Collection highlights the feeling of lightness and solidity with its aluminum skeleton structure, which characterizes timeless design and modern functionality in outdoor fictions. The round form of the collection, which consists of a lounge and dining set, integrates a contemporary design approach with simplicity
